

OMNISTAB®

POLYMER ADDITIVES

The Partners in Chemicals® entities have a wide product range covering needs for raw materials and additives used in most of the main industries.

Our OMNISTAB® range is being produced in Asia.

Our production partners are either toll manufacturer or long term partners evaluated extensively and producing based on strict quality management standards.

PARTNERS IN CHEMICALS STRUCTURE

PARTNERS CHEMICALS IN[®]

Partners in Chemicals is registered trademark linking our group entities which produce, source, trade and distribute chemical raw materials and additives. Since 2005

CHEMICAL DISTRIBUTION & TRADE

Distributor and agent of chemical raw materials and additives

Head office in The Netherlands

ICG RESIN SOLUTIONS

Supplier of acrylic monomers and specialty methacrylates

Head office in The Netherlands

ICG SPECIALTY CHEMICALS BV

Supplier of OMNISTAB[®] polymer additives

Head office in The Netherlands

DELTA CHEM (QINGDAO) CO., LTD.

Distributor and agent of chemical raw materials and additives

Head office in China

HEADLINES PARTNERS IN CHEMICALS

- Since 2005
- Head office in Netherlands
- We produce, source, trade and distribute
- Supply of Chemical raw materials and additives
- Global presence through our branch offices
- We work with Local partners
- Local stock
- Wide product range covering all main industries
- OMNISTAB© Polymer Additives range produced in Asia
- Western quality standards and guarantees
- Flexible and partner driven
- We provide technical back up and solutions
- Sourcing & Trading
- Efficient and effective and thus competitive on pricing
- Transparent
